

Year of Service

Moorpark College has dedicated the 2009 – 2010 academic year to being a *Year of Service*, in order to

- Recognize the service demonstrated by students and employees of the college,
- Provide opportunities for volunteer service to the local community, to the nation, & to the world,
- Encourage an attitude of service—an approach to life that integrates understanding, caring, and taking action—that carries on in the lives of our campus community beyond this single year.

Spring Semester Events for the Year of Service...
